TUESDAY NOTES

January 26, 2010

PRINCIPAL'S PAGE

Dear Parents and Families,

Therefore, since we have been justified through faith, we have peace with God through our Lord Jesus Christ, through whom we have gained access by faith into this grace in which we now stand. And we rejoice in the hope of the glory of God. Not only so, but we also rejoice in our sufferings, because we know that suffering produces perseverance; perseverance, character; and character, hope. And hope does not disappoint us, because God has poured out his love into our hearts by the Holy Spirit, whom he has given us.

PTLS News

Your dollars at work! PTLS recently approved and funded the purchase of new computers for the elementary school and an additional \$100 per teacher for supplies for the preschool. The Preschool would like to improve their playground by adding more of the rubberized play surface currently used under the jungle gym. The cost for this is around \$15,000. This will be one of PTLS's priorities in our fundraising efforts for the rest of the year. We hope to be able donate a significant amount to the preschool for playground improvements by the end of the year.

Our next big fundraiser will be World's Finest Chocolate coming up in March. We have not done this for a while and we hope everyone will find it a nice change. Stay tuned for the details.

There are two family nights in February, JoJo's on the 2nd and Johnny Rockets on the 23rd. These family nights are a great way to help out the school, so if you plan to eat out please support the businesses that support us. And if you have any suggestions for other restaurants or businesses who would like to participate please let us know.

As always, everyone is welcome to attend our PTLS meetings held the second Tuesday of each month at 3:15 pm in the school office.
