TUESDAY NOTES

March 30, 2010

PRINCIPAL'S PAGE

Dear Parents and Families,

After the Sabbath, at dawn on the first day of the week, Mary Magdalene and the other Mary went to look at the tomb. There was a violent earthquake, for an angel of the Lord came down from heaven and, going to the tomb, rolled back the stone and sat on it. His appearance was like lightning, and his clothes were white as snow. The guards were so afraid of him that they shook and became like dead men. The angel said to the women, "Do not be afraid, for I know that you are looking for Jesus, who was crucified. He is not here; he has risen, just as he said. Come and see the place where he lay. Matt. 28: 1-7

He is risen! He is risen indeed! Come and see the place where he lay! Alleluia! May you and your family have a blessed Easter as you celebrate the resurrection of our dear Lord Jesus Christ!

**Computer Class Grades 4-8
Planning Guide**

Attention Parents!

I have organized a planning guide for this computer unit to help you and your child plan out his/her presentation and meet the expectations for computer class with a minimum of stress. The guide is included with today's Tuesday note. Please look over it with your child. I will need them to plan what they are going to write as homework. This will allow them more time to type and format the slides in class. The planning guide will need to come with them to class every week. Please help your child find a way to make this happen. If you want, you can plan all of the slides over Easter vacation and I will then keep track of your child's paper in their class's computer folder. Thank you for your help in this matter.
