TUESDAY NOTES

October 7, 2008

PRINCIPAL'S PAGE

Dear Parents and Families,

Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen. Do not grieve the Holy Spirit of God, with whom you were sealed for the day of redemption. Get rid of all bitterness, rage and anger, brawling and slander, along with every form of malice. Be kind and compassionate to one another, forgiving each other just as in Christ, God forgave you. Ephesians 4:29-32

This is a tough passage to live up to! In our state of sinfulness, our talk is too often unwholesome and not often enough beneficial to the listener. We all struggle with this because we are so quick to anger these days. We are under so much pressure just to make a living and take care of our families and we often lose patience too quickly. But our Father is a God of forgiveness and mercy, and His love is always there to wrap around us, pick us up and start us out fresh again the next morning. We need to start our day with prayer that God would give us a new dose of patience, enough for the day ahead, and enough so that we may be kind and compassionate to one another all day.

Housekeeping News:

1. **Help!** We are in desperate need of volunteers to move the two sand piles into the holes and deep ridges of our front field. Does anyone want exercise and parent points? Here is your chance! If you can help out, please let me know so I can arrange all efforts into one or two days. Thank you!
2. Please remember to leave the first parking space open to the Demongin family who won last year's parking space raffle! Please respect the sign that is now up, and thank you, Holly Royston, for making that sign! ☺
3. If you haven't filled out your purple Fall Survey yet, please make sure you do and turn it in by tomorrow at 5:00 pm. It's anonymous and quick; just a one-minute checklist and two short answers, but it goes a long, long way toward giving us the feedback we need to set policies and make positive changes. Remember, we cannot possibly know how you are feeling unless you give us feedback, and we truly want your child's experience and education here at Loving Savior to be the best it can be!
4. The library is underway! If you signed up to volunteer in the library, you will be called this week to come in and start. Right now, we will be logging book titles and authors into our library laptop. We could use all the help we can get.
5. It is now past the mid point of the first quarter. If you haven't checked Gradelink to see how your child is progressing and to look for missing assignments, now is the time to check, before the quarter is over. We are not sending home Progress Reports anymore because of this great online service. Call your child's teacher if you have questions or any trouble logging on and checking your child's grades.

In His Service,
Mrs. Page
