TUESDAY NOTES

October 13, 2009

PRINCIPAL'S PAGE

Dear Parents and Families,

Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock. But everyone who hears these words of mine and does not put them into practice is like a foolish man who built his house on sand. The rain came down, the streams rose, and the winds blew and beat against that house, and it fell with a great crash. Matthew 7:24-27

What is your house built on? Rock or sand? Have you ever seen those houses on cliffs where the hillside crumbles underneath it and the house ends up falling off the cliff? When I see that on the news, I always think, "why were those houses built so close to the edge when they know that cliff will eventually erode away?" Our "house" (our life) needs to be built on the Rock, or it will crumble away with the inevitable storms of life!

Housekeeping News:

1. **ITBS Testing is taking place all this week** and next for grades 2-8 only. Please, please make sure your child is well-rested every night and has a good nutritious breakfast each morning. Science proves that these things really help! Please try not to have your child out for appointments or family functions if at all possible.
2. **Please read, sign and return the Chaperone Policy** notice sent home today. If you can, make a copy for yourself as a reminder before each field trip you chaperone.
3. Please read the updated ***Allergy Alert*** coming home today!
4. PTLs has set us up as partners with the grocery store ***Fresh and Easy*** located in the Gordon's Ranch shopping center on Chino Hills Parkway. Simply shop there (I heard they have fantastic ready-to-go meals at reasonable prices!) and bring your receipt into the office and deposit it into the ***Fresh and Easy*** box located there. Happy shopping! ☺
5. **Hats On Day** is right around the corner. Students may wear a hat on Friday, Oct. 23rd all day if they bring **\$1.00** to support the Foundation for Children with Cancer. We are hoping to have 100% participation for this event so that we can send this worthy organization at least \$200. If you would like to donate more than \$1.00 that day, I'm sure these poor children would appreciate it. For more information on this charity go to www.childrenwithcancer.org.
6. **Operation Christmas Child** is going well. Thank you for sending in items and filled shoeboxes for needy children around the world this Christmas. We still need to reach our goal of 100 shoeboxes. If you can fill one and turn it in by the end of October, that would make a child somewhere very, very happy. Items can include school supplies, soap, toothpaste and toothbrushes, toys, hard candies that won't melt in the heat, etc. One shoebox is a small sacrifice to make for a child in need! Go to www.samaritanspurse.com for more info.

In His Service,

Mrs. Page

October Mission Outreach

Operation Christmas Child

Thank you to everyone who has already contributed toward Operation Christmas Child and to those who will still be donating items for the shoeboxes.

We have collected a total of \$459.38 so far.

Calling All Basketball Enthusiasts

I have a need for coaches and referees. The coaching vacancies are for:

The Boys Varsity Basketball Team - The Boys JV Basketball Team - The Girls JV Basketball Team.

Coaching experience is not required, but knowledge of the game is preferred. Ideally, I would like to see at least two coaches per team. However, it has worked with one per team in the past.

Referees are needed for the JV Girls and JV Boys home games. It works best if there are two referees calling the game.

The basketball seasons do not begin until we come back from Christmas break. However, practices usually begin 1 - 2 weeks before we go on break.

Please email me at teach04him@aol.com if you would like to fill one of the coaching vacancies, or help out as a referee.

For Him, Mr. N.

PTLS News

SOS..., We still need volunteers! Our current needs are; Mrs. Rowley needs help manning her class booth (folks – she doesn't have a room parent so we need some people to step up). Also, we need volunteers for the BINGO game, cashiers, callers and ticket takers. BINGO takes a minimum of 3 people at the same time to run and it is a best attraction for our fundraising efforts. Here is your chance to earn **DOUBLE PARENT POINTS!** Get those pesky things out of the way. Sign up to man a Harvest Festival Booth now. See your classroom parent for details.

WAY TO GO Loving Savior Parents! Kids R First netted about \$7000 this year. This is a great way to start off the year and we really appreciate the hard work everyone put in. We know that it is difficult to do when all the other schools are doing it at the same time, and we want you to know that we are grateful and the money will be put to good use.

NEW: Fresh & Easy is joining with PTLs in supporting Loving Savior. Turn in your receipts from the Chino Hills Fresh & Easy and Loving Savior will receive \$1 per \$20 spent. This will last until the end of December. There is a box in the office for receipts.

October 22nd is our next Family Night Out. Join us at R&R pizza for some good food and fellowship with your other Loving Savior parents.

October 24th - Two weeks and counting until Harvest Festival! When you work a booth at this year's Harvest Festival you are going to earn double Parent Points for each hour worked. Remember, this entire fundraiser is staffed solely by volunteers and we can use all of the help we can get. Sign up with your Room Parent Today!

November 10th is BJ's turn to host our Family Night Out Fundraiser.
