## TUESDAY NOTES

October 14, 2008

### PRINCIPAL'S PAGE

Dear Parents and Families,

*The Lord is my rock, my fortress and my deliverer; my God is my rock, in whom I take refuge. He is my shield and the horn of my salvation, my stronghold. I call to the Lord, who is worthy of praise, and I am saved from my enemies. Psalm 18:2-3*

I had the great pleasure of listening to our Pastor Andy Wu preach an excellent sermon a while back. He talked about **the rock** of our salvation. Is that rock your cornerstone, on which your life is built? He said that if a cornerstone of a building is even just an inch off in its placement, the top of the building will be 10 ft. or more off kilter. Is our faith built on this perfect cornerstone, who is Christ Jesus, so that our whole life is lined up correctly? Can everyone see your cornerstone, or is it a nice small polished stone hidden in your pocket to be brought out for special occasions or for viewing only by special people? Pastor Andy really got me thinking about these things. May our Cornerstone be visible to all!

#### Housekeeping News:

1. Please find enclosed the pamphlet explaining the **Operation Christmas Child** program we are participating in this year. Each classroom is adopting 7 boxes to fill with school supplies or art supplies or small toys, etc. to be sent to children around the world for Christmas. Read your pamphlet carefully to learn which items are recommended and which may not be included. We plan to send 80 boxes in two weeks to 80 children around the world and make their Christmas this year a very special one!
2. We are raffling off the first parking space for the next school year 2009-2010! Watch for the box in the office. Entries cost 3 tickets (\$3.00) each. More information is enclosed on a flyer. Who **wouldn't** like their own reserved spot? ☺
3. Parents, if you need get a hold of a teacher during the school day, please know that it may be after school before they can return your call. Our teachers get very little break and lunch time, so sometimes they cannot get back to you until their children are dismissed. If you have an emergency, please let Donna know and she will put that in the message.
4. It's that time of year again! We are having our annual Harvest Festival on Saturday, October 25<sup>th</sup> from 3-7pm. This year's will be bigger and better than ever! And, whichever teacher has the most money in their classroom pumpkin by Friday, Oct. 24<sup>th</sup>, will have to "Kiss a Goat" at the Harvest Festival!! If you want to see your teacher (or Miss Donna, Mr. Clark or Mrs. Page) kiss a goat, fill their pumpkin with money. It all goes back to the students in the end, because all proceeds benefit the school. Thank you, parents and families for all of your organizing efforts to make this year's Festival a success! Remember, 2pts for every hour worked at a booth that day!
5. ITBS testing has begun and will run the rest of this week and part of next week. Please make sure your child is well rested and well fed in the morning. It makes a huge difference in the results.
6. *Please bear with us this autumn as we do almost all of our fundraising for the year before Christmas. The only fundraiser planned for Jan-Jun. is the PTLs Willy Wonka Play. Parents, do not feel you have to give to every event, just pick and choose which ones to support. In the next two months, there is the Harvest Festival, Evergreen Sales from the 6-8<sup>th</sup> graders, tamales at Christmas time, and a Cookie Dough sale. Thank you!*

In His Service,  
Mrs. Page
