## TUESDAY NOTES

November 10, 2009

## PRINCIPAL'S PAGE

Dear Parents and Families,

*Now we ask you, brothers, to respect those who work hard among you, who are over you in the Lord and who admonish you. Hold them in the highest regard in love because of their work. Live in peace with each other. And we urge you, brothers, warn those who are idle, encourage the timid, help the weak, be patient with everyone. Make sure that nobody pays back wrong for wrong, but always try to be kind to each other and to everyone else. Be joyful always; pray continually; give thanks in all circumstances, for this is God's will for you in Christ Jesus. 1 Thessalonians 5:12-18*

Is it just me, or have you noticed that our society is becoming more and more impatient and intolerant of people's foibles? Sometimes it seems like people are so wrapped up in what's wrong in their lives, they lose sight of how much is right. Plus, being so focused on all the negative things puts us in a bad mood which in turn makes us even more impatient with everyone around us. Then the guilt sets in which only serves to add to our problems. How can we break this cycle of anger and despair? Try letting the little things go as much as you can. You'd be amazed how often small things just don't seem to matter anymore after about 48 hours. Pick your battles carefully in life, so that you are not in a constant state of stressful controversy. Above all, give thanks to God constantly!
